We will send a team but there is no 3 day notice to collect all his stuff, we are only doing CARE operations at this time not full CARE+ clean ups. Sending this to the CD 10 CARE team.

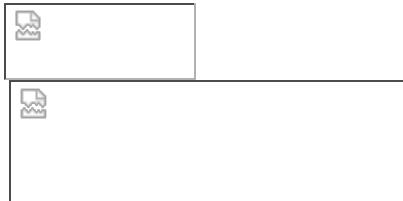

Much Appreciated,

Hi Kimani, here are some pictures from this morning in front of my house and across the street. It has gotten much worse in the last two days and is a big safety hazard in so many ways. Please escalate this to Herb, the Mayor's office, and anyone else that may be able to help.

Has the 3 day notice been served to pick up all of his stuff? This is all the doings of 1 man. Have you ever seen anything like this?

Thanks for your help and response, I know there is a lot going on these days and appreciate your time and efforts.

Sincerely,

Richard
